The Multicultural Association of Satakunta

The Association has been founded by the immigrants and Finnish people together in 1996.

The Association maintains the International Meeting Point.

The meaning of the Association:

We want to:

- Help the Finns and immigrants to get to know one another.
- Promote the knowledge of different cultures among them.
- Enhance the co-operation of the Finns and foreigners to enrich each other's cultures.
- Help immigrants to adjust into the Finnish society.

Most of the Association's immigrants speak Russian.

The Association has a multicultural board of trustees.

Our goals are:

To promote the immigrants' integration into the Finnish society and culture.

- We co-operate with different authorities, instructors and organizations.
- We offer places for working life preparation and practical training for the Finns and immigrants.

To promote multiculturalism.

- We organize cultural activities and give information about different cultures.
- We practise networking and voluntary work.

To promote mutual equality and respect.

- We create possibilities for the Finns and immigrants to co-operate.
- We organize events, language courses and hobby clubs which are open for everyone.
- We give information, guidance and advice for immigrants and also organize activities.
